Napa Choir Fundraiser: Ongoing

WHO ARE WE?

Moschetti, Inc. is a Napa-Family owned, artisan coffee roaster. Our focus is on providing the best coffee and personal service to local coffee enthusiasts. Moschetti owes its success to processing exotic beans from unique origins; roasting beans from small plantations, single estates, and fair trade organic coffees from cooperatives who practice sustainable farming while improving the lives of their members.

YOUR IMPACT

50% of the proceeds go to support the Napa High School choir program. Building community through music, coffee, and song."

SUMATRA DECAF.

"A harmonious blend of South and Central American coffees, adding complex nutty and spicy flavors, with a touch of Indonesian coffee, to bring a fuller body and flavor to the blend. Enjoy our delicious decaf coffee while supporting our favorite choirs."

ENSEMBLE BLEND

"A harmonious blend of South and Central American coffees, roasted to perfection with a medium body, moderate acidity, and complex nutty, spicy flavors, infused with just enough fruity freshness to brighten up your day. Enjoy our delicious blend while supporting our favorite choirs."

HOW TO ORDER

WE SUPPORT THE ARTS IN EDUCATION

Being a Napa-based family, our daughter Juliette is involved in the Napa High School choir program, having sung in multiple groups and ensembles. Our son Marco participates in both the music and theatre arts programs at St. John's Lutheran School. As a small business, we are doing our best to support the next generation of Napa youth.

Thank you for your support, Napa Choir needs it now more than ever due to the impact of COVID-19.
